

Nuclear Medicine Workshop: Multidisciplinary Team Approach in Cancer Treatment

	July 9 (Mon)	July 10 (Tue)	July 11 (Wed)	July 12 (Thu)	July 13 (Fri)				
09:00 - 09:30	Greeting (Prof. Dong Soo Lee)	Interactive Course 1: Lung Cancer : Samsung Medical Center (organizer: Joon Young Choi) 1) Role of Nuclear Medicine 2) Case Discussion with Experts	Interactive Course 2: Stomach cancer : Yonsei University Medical Center (organizer: Mijin Yun) 1) Role of Nuclear Medicine 2) Case Discussion with Experts	Interactive Course 3: PERCIST : Catholic Medical Center (organizer: Joo-Hyun O) 1) PERCIST 2) Interactive Course	Sharing Experience Experience from Malaysia (Prof. Lingeswaran)				
09:30 - 10:00									
10:00 - 10:30	Course Introduction (Prof. Gi Jeong Cheon)				Current Status & Future Perspective 1) From Bangladesh 2) From Vietnam 3) From Indonesia 4) From Mongolia 5) Future perspective (Prof. Cheon)				
10:30 - 11:00	What is MDT? (Min Seok Suh)								
11:00 - 11:30	Site Tour								
11:30 - 12:00									
12:00 - 12:30	Pre-course survey								
12:30 - 13:00	Lunch								
13:00 - 13:30									
13:30 - 14:00	Lunch	MDT in Lung Cancer 1) Radiologists' point of view (Prof. Hyungjin Kim) 2) Oncologists' point of view (Prof. Dong-Wan Kim) 3) Radiation oncologists' point of view (Prof. Hak Jae Kim) 4) Surgeons' point of view (Prof. Young Tae Kim) 5) Discussion with speakers	MDT in Stomach Cancer 2 1) Pathologists' point of view (Prof. Yoon Jin Kwak) 2) Oncologists' point of view (Prof. Do-Youn Oh) 3) Radiation oncologists' point of view (Prof. Eui Kyu Chie) 4) Discussion with speakers	Connection of Asian Nuclear Medicine Community 1) Asi@Connect project (Prof. Dong Soo Lee /Sanggyun Kim) 2) ARCCNM (Prof. Hee-seung Bom) 3) Discussion with speakers	Group Discussion with finalized reports				
14:00 - 14:30		MDT in Pediatric Oncology (Prof. Jung Yoon Choi)							
14:30 - 15:00	MDT in Pediatric Radiology (Prof. Jung Eun Cheon)								
15:00 - 15:30									
15:30 - 16:00	MDT in Pediatric Nuclear Medicine : GA-DOTATOC (Prof. So Won Oh)	MDT in Stomach Cancer 1 1) Radiologists' point of view (Prof. Se Hyung Kim) 2) Surgeons' point of view (Prof.Hyuk-Joon Lee) 3) Discussion with speakers	MDT with AI (Prof. Jeong Heum Baek)	Social program	Closing remark: Prof. Dong Soo Lee				
16:00 - 16:30									
16:30 - 17:00									
17:00 - 17:30	Pediatric Cancer Conference : Group discussion with speakers		Stomach Cancer Conference : Group discussion with speakers						
17:30 - 18:00									
18:00 - 21:00	Welcome Dinner (Hosted by SNUH NM)	Official Dinner (Korean style buffet)		Speakers' Dinner
