Maximum Budget allocated for this procurement is **4,350 Euros**.

This Request for Quotation (RFQ) is required **by 23:59(PKT), 31 July 2020**.

Participation in tender procedures is open on equal terms to all natural and legal persons of the EU Member States and the States and territories of Asia Pacific region who are participating in the Asi@Connect program. Vendor could propose single lot or multiple lots.

Procurement will be completed through competitive bidding in which Riphah International University will select most economical quotation among vendors qualified in technical & administration compliance. Detailed Specification is attached as Annex1. The Bidder must fill up the Quotation with compliance response & Country of Origin (Annex 2). The quotation shall be addressed to:

**Organizer: Riphah International University, Islamabad, Pakistan**

Humza.rehman@riphah.edu.pk

Position: Manger Procurements

**Organization: Riphah International University, Islamabad, Pakistan**

Muhammad.sajjad@riphah.edu.pk

Position: Principal Investigator/ Project Manager

**&**

**Trans Eurasia Information Network Cooperation Center (TEIN\*CC)**

Application dept.: applications@teincc.org

**PROCUREMENT PROCESS**

- Riphah International University will gather at least 3 quotations from local vendors which had technically guaranteed and financially stable for supplying the equipment.
- Based on reviewing the quotations by evaluation committee, Riphah International University, and TEIN\*CC will select Vendor
- Riphah International University will make purchase contract or Purchase order to Vendor.
- Vendor will deliver the equipment to Riphah International University (delivery note must be submitted).
- Riphah International University verifies the equipment and confirms the delivery.
- (NREN also need to make equipment information document (DOC. Or PPT format), which has serial numbers & equipment photo with description)
- After confirmation of delivery, Vendor will send invoice to Riphah International University.
- Riphah International University will reimburse the cost to the vendor.
- After delivery, Riphah International University will proceed 'transfer of ownership' for each beneficiary organization

**Evaluation Process**

- The evaluation will be composed of three sequential steps, namely administrative compliance, technical compliance and financial evaluation. If a tender cannot meet the administrative and technical compliance, no further evaluation will be progressed.
- The award criterion applied to administratively and technically compliant tender is price. Therefore, the successful tenderer is the one submitting the least expensive tender.
  - **Administrative compliance**  
The Nationality and Origin Rule: Participation in tender procedures administered by TEIN\*CC is open on equal terms to all natural and legal persons of the EU Member States and the States and territories of Asia Pacific region who are participating in the Asi@Connect program (refer to the Annex 3).
  - **Technical compliance:** proposed model/equipment is equal or beyond the specification.

- **Finance evaluation:** Purchaser will select vendor with lowest tender which comply with administrative & technical requirement.

**REIMBURSEMENT**

Vendor will send invoice to Riphah International University after Riphah International University confirms the delivery. The following supporting documents will be required:

- Delivery Note to be furnished by the vendor and to be endorsed by participating partner.
- Generated Invoice addressing to Riphah International University.

The vendor needs to scan documents and send them to Riphah International University at humza.rehman@riphah.edu.pk, Muhammad.sajjad@riphah.edu.pk, and TEIN\*CC applications@teincc.org.

Vendor needs to ensure that original documents are safely kept at their disposal which might need to be submitted if TEIN\*CC desires so.

**SCOPE OF THE WORKS AND SERVICES:**

1. The bidder will supply the products to Hamza Rehman, Manager Procurements, G-7 Campus, Riphah International University.
2. The required number of goods have been mentioned in the Table below under “**Technical of Requirement**”
